

East Hickman Intermediate School Parent Involvement Plan

The Purpose

EHIS's Parent Involvement Plan was constructed to encourage parental involvement, create a common vision among children, parents, teachers, community members, and administrators.

The Plan

Standard 1:

Welcoming ALL Families

We want to welcome and value parents, teachers, and administrators in the planning and carrying out of programs, communication, and meetings to make the atmosphere at EHIS a positive, welcoming, and learning environment.

- We have two Parent-Teacher conferences with child care provided, and annual IEP Meetings.
- We have Open House/Orientation, Family Nights, Eagle Strut, Carnival, and the Eagle Store.
- Leadership, Activities, Positive Behavior, and Healthy Schools Committees meet monthly.
- Parents may access and/or communicate through EHIS' s website, electronic marquee, Facebook, Remind, Sky Alert, email messages, newsletters, and surveys.

Standard 2:

Technical Assistance

We include technical assistance for readily available communication for parents, teachers, community members, administrators and staff.

- Parents receive communications via EHIS's website, electronic marquee, Facebook, Remind, Sky Alert, email messages, and every-nine-week phone calls.

Standard 3:

Supporting Student Success

We encourage regular opportunities for families to strengthen their knowledge and skills to help their children to succeed academically.

- Fall/Spring Family Nights have book fairs, prizes, games, and parent workshops to help educate parents on learning strategies.
- Parents are invited to serve as members of the School-wide Leadership or Healthy Schools Committees and are able to bring any concerns relating to the education of their children.
- The purpose of scheduled or requested Parent-Teacher Conferences or IEP meetings are to discuss the child's progress, share concerns, and make suggestions between parents and teachers.
- Newsletters from administrators are sent home regarding end-of-year testing and outlining how parents can help prepare their child.
