

Centerville Elementary School

September 20, 2016

Note from the Principal Jill Hunt.

2nd Grade students and teachers had an awesome time in our GOOGLE HANGOUT session with Congresswoman Marsha Blackburn!! She talked to us about the importance of the Constitution and Declaration of Independence. While taking a few questions from students, she also reminded us that in her 13 years in Congress that actions speak louder than words! This is a great reminder for us all! Thank you to Congresswoman Blackburn for taking time out of her day to talk with CES 2nd Grade students!!

September is Attendance Awareness Month! CES is starting a new rewards program to encourage students to have perfect attendance. Students who have perfect attendance each week will enter their name into a drawing to be a HERO of the month! Each month a HERO from each grade level will be chosen to choose which superhero cape they want to wear at school for a day! Additionally at each PBS Rally a name will be drawn to receive a prize for having good attendance! Our guidance program will be teaching the acronym HERO- HERE. EVERYDAY. READY. ON TIME! It is our hope to raise awareness of the importance of starting the habit of having good attendance from the start! Aim for your child to miss 5 or less days a semester. CES is off to a great start having THE BEST ATTENDANCE PERCENTAGE in our school district with 96.78 of students in school! Thank you for for making your child's education a priority!
