

HICKMAN COUNTY SCHOOL DISTRICT

Access to Student Information

By College or Military Recruiters

Dear Parent/Guardian:

Our district receives funds from the federal government. These funds are used in a variety of ways to provide additional help to students in greatest academic need. The law also requires that districts receiving these funds must, upon request, provide to colleges and universities, military recruiters, access to the names, addresses and telephone listings of secondary students.

It is important for you to know that a secondary school student or his/her parent or guardian **may** request that the student's name, address, and telephone number not be released by the district without prior written parental consent. If you would like to make such a request, please complete the following and return it to your child's school.

Colleges, Universities, or Institutions of Higher Learning

- Do not release my secondary student's information to colleges, universities or other institutions of higher learning at any time.

Military Recruiters

- Do not release my secondary student's information to military recruiters at any time.
